

YOUTH FOOTBALL AND CHEER FEDERATION

When Excellence Becomes Tradition, Greatness Has No Limits

Dear Prospective Sponsor,

Thank you for your interest in supporting the Youth Football and Cheer Federation. In late 2010 a few like-minded veterans of youth sports set forth to begin a program that emphasized the passion we all shared for the game of football and the desire for equitable and fair treatment of all teams, parents and participants.

Success in football takes hard work, perseverance, teamwork, discipline and sacrifice. We are committed to teaching children not only how to play the sport of football, but also life skills to help them grow into respectful and responsible citizens of the community. We are proud of our football and cheer programs but most importantly, we are proud of the 2,000+ boys & girls that pass through our organization annually. We realize that in order for us to be a resource to deserving families and offer high-quality programs, we sometimes need generous donations and support from the corporate community.

We would love to have you assist us with helping youngsters who are affiliated with our organization. Your contributions can make a significant difference to many young lives. Contributions are used for various efforts such as improving components of our various programs, supplementing the costs of organizations from economically-disadvantaged areas, sponsoring young boys and girls who may not have be able to afford the opportunity to participate in sports activities, and many other benefits provided to our members. Any and all consideration would be greatly appreciated.

The Youth Football and Cheer Federation of America, Inc. (The Federation) is a Texas non-profit corporation and is certified as tax-exempt as provided under chapter 501(c)(3) of the Internal Revenue Code by the IRS. All contributions to the organization are tax-deductible.

Once again thank you for your interest and/or support. If interested please fill out the attached sponsorship form and return to the Federation.

Thank You and Kind Regards,

Edward E. Hart, President/Commissioner
